

August 5, 2010

Hey Everyone!

Thanks for all the prayers! We have had an amazing week with our mission team from Lamar, AR. We canvassed over 750 in 4 days and had 3 block parties with over 150 in attendance and 80+ of that on the last night! Your prayers are working! We had great weather and there are so many people who are interested in what Connection Church is and how it is going to come together in Spearfish!

Several of you stepped up financially and provided our needs for bibles, tables, chairs and materials for our Bible Studies to start in a few weeks! You guys are awesome! Thank you for being used by God to provide the financial needs there!

We are working this week to follow-up on the people that came to the block parties and that we met in the neighborhood canvassing. I am excited to continue many conversations with people where we can tell them about Connection Church, but more importantly, introduce them to Jesus!

Please take time today and everyday this week to pray for the following:

-Follow-up with people--Pray that God would grab their hearts and draw them to Himself. Pray that we would be His mouthpiece of grace and love.

-Bible Studies starting the end of August

-Info meetings in a few weeks--This is where we will introduce them to Connection Church and where we are headed.

-Outreach at Sturgis Bike Rally--This week, we will be hosting 2 churches and working with the Dakota Baptist Convention as we share Christ with 1000's at the Sturgis Bike Rally. Pray that many will come to Christ!

-Future steps of Connection Church--This is all about God and we want to keep it that way! Pray that God would direct our steps and do things that are so amazing that we couldn't even come close to taking credit for it!

Thanks for being a part of our prayer team! You guys are awesome and God is using you to make a difference in Spearfish! May God bless you and keep you and draw you closer to Him! May YOUR church get excited about reaching people for the Kingdom of God and see great fruit for God's glory!

We love you and pray for you!
